RELEASE AT WILL

CATALINA EXPRESS FLEET

Express Service:

The “Express Service” is a fleet of 8 state-of-the-art, fully stabilized vessels that travel at speeds of up to 42 knots. They offer comfortable airline-style seats and grouped table seating. Traveling to Catalina Island in as little as one hour, each vessel was designed and built/purchased specifically for comfort and speed. Catalina Express offers up to 30 daily departures and year-round service to Avalon and Two Harbors from San Pedro, Long Beach and Dana Point.
