## Catalina Island

Catalina Island is the perfect getaway for your next outing, corporate function or retreat. The ideal location for collaboration combined with an array of group activities.

### DAY 1

#### Afternoon

Upon arrival in Avalon, you'll head straight for your hotel whether on your own or with the group to check in and freshen up. If there's time before dinner, feel free to wander through town and pop into some of the cute shops along Crescent Avenue (or Front Street as the locals call it.)

For the first evening on the Island, your group leader may choose to arrange a welcome reception at **Topside by NDMK**, located on the second floor of the Trailhead. The restaurant and event space is located above the Catalina Island Conservancy's new visitor center, which faces the harbor just as you come into town.

### DAY 2

#### Morning

As your morning begins, take a 15 minute stroll up to the **Catalina Canyon Inn** where you'll join the rest of your group for breakfast prior to starting your meetings. The hotel accommodates 120 inside the banquet room of this Mediterranean-style resort. The on-site restaurant, The Cove, will arrange a delicious breakfast menu prepared by their world-class chef.

#### Afternoon

After your meetings conclude, join your team for a lunch at one of the group-friendly restaurants in Avalon. **Bluewater Grill Avalon** is located in the middle of town and offers spectacular, oceanfront dining.

Encourage team bonding after lunch by planning an activity. Catalina offers a wide range of team building activities with varying levels of difficulty.

For a more mellow afternoon exploration, try **Catalina Island Golf Cart Rentals** for a self-guided sightseeing tour. Along the way, you will see the town of Avalon, picturesque vistas, deep canyons, quiet coves and an endless blue ocean. Keep your eyes open for any Catalina wildlife. *(Reservations are encouraged. Call for group reservations at 310.510.0369.)*

For the more daring souls, we recommend the new **Catalina Aerial Adventure**. This unique and alluring outdoor experience is just a short stroll from Descanso Beach Club. You'll feel like you're deep in the woods. As you climb, swing and slide from tree to tree on a series of obstacles. Five self-guided, self-paced courses offer aerial excitement for everyone, regardless of skill or athletic ability. *(Inquire directly with Catalina Island Company for group reservations at 877.778.8322.)*

#### Evening

To experience the local dining scene, this night has been left open as a dine around evening, so people can select one of the many culinary offerings of Avalon. If you're looking to enjoy a low-key night, but still craving high quality seafood, then you'll want to check out the **Lobster Trap**. Avalon residents love the great food, friendly staff and casual atmosphere. *(Reservations accepted for parties of 10+.)*
