Lounge out on a private cabana or chaise lounge where signature appetizers and classic cocktails can be delivered right to you. Experience something new as a couple by paddling out on a kayak or stand-up paddle board with **Descanso Beach Ocean Sports**. Put your communication to the test as you explore the coastline of Catalina Island.

Evening

Dress up for a date night out on the town at **Steve's Steakhouse & Seafood**. Dine and converse about your memorable day over tender steaks and a bottle of wine from their extensive wine menu. End dinner with their delicious signature key lime pie.
