

# Romantic Catalina Island

Create new memories with your special someone on the Island of Romance. Catalina Island offers a romantic getaway for any occasion to reconnect and explore together.

## DAY 1

### Morning

Begin your romantic getaway with an upgraded experience in the Commodore Lounge on the Catalina Express. Order a mimosas to toast, a coffee for an energy boost or our famous Bloody Mary to enjoy on the boat ride to Avalon!

After dropping your luggage off at the hotel, head downtown to the **Naughty Fox** restaurant for brunch. Dine with your significant other on the front patio for ocean views of Avalon Bay. Get the Island Bennies, a seafood inspired dish or the French toast for a sweet tooth craving.

### Afternoon

Experience something new as a couple by scuba diving at the Casino Point Park with **Catalina Divers Supply**. Explore environments in the world and look out for schools of fish. After spending some time in the ocean, head to **Descanso Beach Club** for a relaxing afternoon. Lounge out on a private cabana or chaise lounge where signature appetizers and classic cocktails can be delivered right to you.

### Evening

Dress up for a date night out on the town at **Steve's Steakhouse & Seafood**. Dine and converse about your memorable day over tender steaks and a bottle of wine from their extensive wine menu. End dinner with their delicious signature key lime pie.

## DAY 2

### Morning

Wake up on day two of romance with a latte or coffee from **Catalina Coffee & Cookie Co.** Grab a form and build your own breakfast sandwich or scramble. Come back later in the day for a tasty sweet treat like a brownie or chocolate chip cookie.

### Afternoon

Fly high in the sky on a parasail adventure with **Island Water Charters**. You'll be hand in hand with your partner soaring up to 800 feet above the water. Experience a view that many don't get the chance to see.

### Evening

For your last night, indulge in a tasty dinner at the **Avalon Grille** and enjoy their California coastal cuisine menu with a signature cocktail like the Famous Wrigley Martini.

### Stay

Romance is calling at the **Bellanca Hotel**, a chic and charming Catalina Island stay. Bellanca is located right on Avalon's oceanfront and is walking distance from many of the shops and restaurants. Cheers to your love at **Hotel Vista Del Mar** with their romance package. Overlooking Avalon Bay, Hotel Vista Del Mar has luxury amenities with courteous island hospitality.
